IN RE:

**BELLSOUTH'S PETITION TO ESTABLISH
GENERIC DOCKET TO CONSIDER
AMENDMENTS TO INTERCONNECTION
AGREEMENTS RESULTING FROM CHANGES
OF LAW**

**DOCKET NO.
04-00381**

**STIPULATION OF FACT TO SUPPLEMENT
TESTIMONY OF KATHY K. BLAKE**

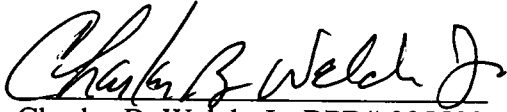

BellSouth Telecommunications, Inc. ("BellSouth") and the Southeastern Competitive Carriers Association ("SECCA") agree to the following stipulations of fact:

1. A number of communications companies use "Time Warner" as part of a trade name.
2. BellSouth witness Kathy K. Blake's reference to the Time Warner Interconnection Agreement ("ICA"), during cross-examination by counsel for SECCA, was a reference to the Time Warner Telecom ("TWTC") group of companies currently providing local exchange telecommunications services within certain states in the BellSouth region, as reflected on the cross-examination exhibit about which counsel for SECCA questioned Ms. Blake.
3. TWTC does not purchase Unbundled Network Elements ("UNEs") for use in its business operations in the state of Tennessee or in any other state in the BellSouth region.
4. The parties are in genuine disagreement as to the facts and circumstances which led to the execution of the aforementioned TRRO amendment to the ICA.

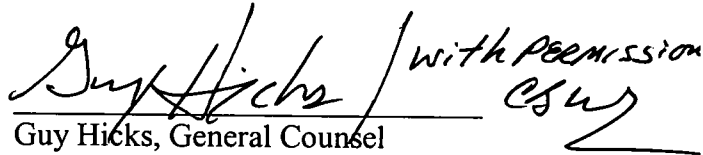

5. TWTC has no affiliation of any description with any cable television/telecommunications company or cable television/telecommunications operator.

6. TWTC did not negotiate or execute its ICA with BellSouth or any amendment thereto, including the BellSouth TRRO amendment, on behalf or benefit of or in conjunction with, any other competitive local exchange carrier or any cable television/telecommunications company or cable operator.

WHEREFORE, it is so stipulated as written.
